**\* Are you interested in the option of receiving Continuing Education Unit (CEU) credit for completed CITI Program courses?**

If you answer "yes", you will be provided with information before you start a CEU-eligible course about the amount of credit available, information from the course authors, and other required CEU disclosures. This information **must** be viewed before a course is started in order for you to be eligible to purchase CEU credit after course completion. However, answering "yes" does not obligate you to purchase CEU credits for any course.

If you answer "no", you will **not** see information about the CEU credits available for courses before you start them or after completing them, and you will be **ineligible** for CEU credit for these courses. You can change this preference at any time by clicking on a "CEU Information" link or using a "My Profile" link to update your Profile.
